198

The term 'Nationalism' means a sentiment based on common cultural characteristics patriotic feeling principles or efforts, loyalty and devotion to a nation; a sense of national consciousness. Exalting one nation above all others and placing primary emphasis on promotion of its culture and interest Nationalism ideology based on the premise the individual's loyalty and devotion to the nation-state surpasses group interests.

The philosophy of nationalism now a day's not concern itself much with the aggressive and dangerous form individious nationalism that often occupies centre stage in news and sociological research. Although this pernicious form can be of significant instrumental value in mobilizing oppressed people and restoring their sense of dignity, its moral costs are usually taken by philosophers to outweigh it benefits. Nationalist philosopher mainly seeks to construct defend very moderate versions; these

## Abstract

In the real sense of the term, the concept of Non-violence is mainly to be intended as the cardinal virtue. It is mainly related with that of another moral concept like - the Truth, because, the ideal of Truth and Non-violence go together. In the general sense, the nonviolence means devoid of oneself from any kind of injure or harm to others. The idea of nonviolence is an ethical term, which refers to observing the negative restraint. Actually, the Yoga means the unification the individual self with the universal Supreme self. It might be the spiritual unification with the Supreme self, the concentration of the mind or the complete pacification of the psychic emotions. With these helpful main theses of the Yoga and with the honeful aim to establishment of universal fraternity through the practice of Yoga concept of non-violence, this paper has been explored.

Keywords : Yoga, non - violence, morality, universal fraternity, world peace, social harmony, spirituality etc.

## **1.1 Introduction**

The concept of non-violence is mainly to be referred as the cardinal virtue. In the real sense of the term the concept of Non-violence and Truth both are the two ideals that go together. Because, the concept of truth is the main spirit and the concept of non-violence can be rationally termed as it is the élan vital, as truth can never be manifested without being practiced the non-violence. In the ancient Indian traditional views and thoughts, it has been found that the concept of non-violence has been discussed in the Vedic period (1500 B.C.-600 B.C.). I the Vedas it has been found that which is very popular, -"Ma himsayat sarva bhutani" which intended that ' Do not kill or harm any living being'. According to the Rg-Veda, the term 'Ahimsa' etymologically, means the physical non-injury forcibly. In the right position the God Indra urged to warble pacan in such a position that it might not done any harm to him. Again in the Rg-Veda it has been more aptly mentioned that the ancestors are
