Parameter	Poor (1)	Average (2)	Good (3)	Very Good (4)	Excellent (5)	Total Points	Performance Index
1	30	29	76	203	195	2103	0.79
2	18	39	79	135	262	2183	0.82
3	31	27	61	159	255	2179	0.82
4	43	40	63	163	224	2084	0.78
5	33	36	79	181	204	2086	0.78
6	32	37	69	151	244	2137	0.80
7	33	34	72	161	233	2126	0.80
8	34	48	90	149	212	2056	0.77
9	30	39	71	187	206	2099	0.79
10	20	38	59	147	269	2208	0.83
Total:	304	367	719	1636	2304	-----	0.80

$$\text{Performance index} = \frac{\text{no of response} \times \text{points assigned}}{\text{total no of response} \times \text{maximum point assigned}(5)}$$

Final Performance index

$$= \frac{\sum \text{total points in each parameter}}{\text{total no of response} \times \text{no of parameter} \times \text{maximum point assigned}(5)}$$

From the above analysis it is seen that overall final performance index is **0.80** on a scale of **1.00** which is quite satisfactory.

Nabajyoti College is dedicated to elevating student satisfaction and enriching the overall academic experience. Following a thorough analysis of the student satisfaction survey, key areas for improvement have been identified, spanning academics, facilities, and support services. Engaging with students through forums and surveys allows for a nuanced understanding of their needs. An action plan has been devised, prioritizing faculty development, facility enhancements, and the expansion of extracurricular opportunities. Special emphasis is placed on fostering a diverse and inclusive environment, ensuring equal opportunities for all. The college is committed to continuous review and adjustment, acknowledging that the dynamic nature of education requires ongoing efforts to provide a holistic growth platform. With these measures, Nabajyoti College aspires to cultivate well-rounded individuals who will contribute meaningfully to society as informed and capable citizens of tomorrow.
